## PROFILE

I'm 29 years old Interaction designer cum Motion Graphics Artist from Tamil Nadu (India). Solving complex interaction design needs and proving the best user interaction design. Eye on the latest industry standards and creating own style of trends.

## WORK EXPERIENCE

### UX Interaction Designer | India

Syncfusion Software PVT LTD / Chennai

Oct 2016 - Till

Syncfusion is a component development company where I work as a UI Interaction designer and motion graphic designer. Being a single point of contact, I've satisfied all the interaction and motion design needs.

### Senior Visualizer | India

Picsean Media PVT LTD / Bangalore

Mar 2015 - Aug 2016

Handled various kinds of digital magazine publishing UI design and Interaction needs for all the IOS and Android devices.

### 2D and 3D Mentor | India

Arena Animation / Coimbatore

Oct 2013 - Mar 2015

Here I worked as a 2D and 3D animation faculty. Under my guidance, many of the students got placed in good companies.

### 2D and 3D Designer | India

The Soft / Coimbatore

2010 - 2011
